

TTI SUCCESS INSIGHTS®

WORKING FROM HOME

Innovation comes from crisis and the need to solve it. So, that's what you now have access to. The Working from Home Report is a brief, social-media relevant report that is **free for everyone.**

Improve and solidify your working relationships by noting the short list of “to-dos” on page two of this report. and the recommendations on the following pages for effective interactions with various DISC styles.

The survey requires only 7 – 10 minutes to complete. Simply click on or point your browser to the following link: <https://www.ttisurvey.com/390232MUY>

The report will come directly to our email address in less than a minute. Good luck!
